

List of PAPG South Events from May 2011-December 2011

Date	Event	Topic	Remarks
12 May, 2011	Technical Lecture at Institution of Engineers Pakistan, Karachi (IEP)	Deep water Geomorphology, Sequence Stratigraphy and Exploration Implications for Pakistan Offshore	Lecture highlighted the effective role of modern sequence stratigraphy techniques in identification of hydrocarbon bearing reservoir rocks of the offshore Pakistan
21st June 2011	PAPG Student Chapter at Bahria University, Karachi	New Dimensions to Seismic Stratigraphy for enhanced Exploration of Stratigraphic Traps	Chairman PAPG inaugurated PAPG chapter and encouraged the students for active participation. Lecture delivered by an eminent scholar and member of PAPG on seismic sequence stratigraphy was appreciated by participants.
09th July, 2011	Technical lecture for Professionals at IEP	Prospects of Offshore Exploration in Pakistan	PAPG and IEP (Institution of Engineers Pakistan, Karachi) arranged a lecture which was one of highly attended lecture by both geoscientists and engineers Detailed account of Pakistan on shore and offshore hydrocarbon Prospectivity was given.
06 October, 2011	PAPG South Chapter at University of Sindh, Jamshoro	Geology of Sulaiman Fold Belt	Launched PAPG Chapter in Center for Pure and Applied Geology, University of Sindh, Jamshoro. A lecture on structural geology of the fold belt and its prospectivity was delivered.

08 October, 2011	PAPG South Chapter at Federal Urdu Science University	Structural Development of the Sulaiman Foldbelt and its Petroleum Prospects	Inauguration of PAPG South Chapter in Department of Geology, Federal Urdu Science University Karachi. Chairman PAPG will chair the event and a lecture will be delivered on the Geology of Sulaiman Fold Belt.
November, 2011	PAPG Annual Social Evening	To be decided	Social Evening is a regular feature of PAPG Sphere of activities. Families have an opportunity of get together and sharing happiness. Eminent poets and singers from different parts of the country bless the participants with their poetry and songs.
December, 2011	PAPG Field Excursion	Hingol River	The aim of geological excursion to the area is to acquaint the young geoscientists with the geology of the area and to show them mud volcanoes and their mechanism.
December, 2011	Bahria University, Karachi	Seismic Interpretation	The objective is to introduce geoscientists with seismic application in hydrocarbon exploration.
