

## PAPG EVENTS-2022 (E&P PROFESSIONAL)

Sr. NO.	EVENTS	TENTATIVE DATE
1	Initiation of the PAPG Journal Publication with HEC	Jan-Dec
2	01 day Geoloical Field trip to Haraza Basin for studying HC Potential & Structral styles	January
3	02-03 days workshop on Cross section Balancing & Geoseismic modelling using Move software & Seismic data of the complex fold belt of Pakistan	Febraury
4	02 Days Geological Field trip to Eastern Surghar ranges & Kalabagh fault zone and .To study its synthesis, associated structural traps and HC potential of the Kohat-Potwar transition zone with plausible structural models	March
5	<b>02-03 days Geoscience Technical Workshop (GTW) on Pakistan Sedimentary Basins including off-shore for there remaining &amp; upside HC prospectivity &amp; opportunities involving all the Operators, Stakeholders, Regulator (Ministry of Energy) with the collaboration of Geological Survey of Pakistan</b>	May
6	01 Day Geological Field trip to Eastern Powar region & Jehlum fault to study the HC potential of the region in the regional context	May
7	03 days Geological Field trip to Muzafarabad-Kashmir Basin to study the HC Potential within the Pakistan region, its Myths & Facts	June
8	<b>06 days Geological Field trip from Islamabad to Gawadar studying different structural &amp; Tectonic domains along road side crossing Pezu-Bhittani, Sulaiman ranges, Quetta, Kalat, Khuzdar &amp; Awaran ranges of Balochistan</b>	October-Nov
9	01 day Geoloical Traverse across the southern Kirthar ranges for studying the Structural Deformation and its HC Potential	Febraury
10	02 days Geological Field trip to Gorakh Hills to study the HC Potential of the Frontal part of Kirthar range & imprints of the tectonic inversion (Myths & Facts)	May-June
11	<b>1-2 days Technical Event with AAPG in Pakistan</b>	June-Oct
12	3-4 days Professional G&G Courses from reputed experts	Jan-Dec
13	4-6 Technical Lectures on new techologies in the north and south region	Jan-Dec
14	<b>Annual Technical Conference-2022</b>	December
15	Soft Skill training & courses for professional & students	Jan-Dec
16	Social & Sports Events (Golf, Cricket, Bowlling, Gala Dinners, Mushayra)	Jan-Dec

## PAPG EVENTS-2022 (STUDENT CHAPTERS)

1	02 days Hands-on workshop for students on Seismic Interpretation, log Interpretation and Prospect Generation	January
2	01 days field trip for students of the Karachi University	January
3	1- Day Team-Building Exercise for students with industry Professionals	Feb
4	02 days student research work symposium between PAPG North Chapters	May
5	02 days student research work symposium between all the PAPG South Chapters	Jan - Dec
6	Workshops/Lectures (Physical/Virtual) at all the Student Chapters	Jan-Dec
7	Soft Skill training & courses for students at north & south sections	Jan-Dec
8	Workshops at all the student chapters	Jan-Dec
